

**-Call for Participation-**

## **Youth-4-Elbe**

### **Design the "Youth-4-Elbe" T-shirt**

In September, the new German-Czech youth camp will take place. Some of you will participate for the third time. To create a shared identity, all participants shall receive a T-shirt, that has been designed by the teenagers.

Therefore, we call for the participation of the pupils of the participating schools. Everyone can take part in the competition. Group projects are possible, too.

Whether a picture, a logo or..., everything is possible. Only your creativity is your limit.

#### **But please keep in mind:**

The Elbe as an ecological, cultural and living space is the connecting element of the "Youth-4-Elbe" and, therefore, should be present in your designs.

#### **Deadline: 18 June 2010**

The designs can be sent in as a picture by e-mail ([lebendigeelbe@duh.de](mailto:lebendigeelbe@duh.de)) or as drawings by mail.

You will decide, which design will win. You can vote for your favorite designs online from 23-30 June 2010.

The design that receives the most votes, will be put on our "Youth-4-Elbe" T-shirt.

**We hope for numerous entries and are looking forward for your creative ideas!**
